

WORKERS' COMPENSATION FEE CONTRACT

I, _____, hereby employ Seth Bader, Attorney at Law, to represent me in a claim for workers' compensation benefits under the laws of Georgia against my employer, _____, and its insurer based upon an injury at work in _____ County on or about _____.

I agree to pay my attorney a contingent fee for recovery attributable to his services equal to twenty-five percent (25%) of any recovery of weekly benefits or settlement.

I understand that the fee is for professional services and does not cover out-of-pocket expenses, which I must pay regardless of the outcome. Expenses of this nature include, but are not limited to, witness fees, filing fees, and fees for copies of essential records.

I hereby authorize Seth Bader to receive, negotiate, and endorse any settlement drafts, checks, or documents on my behalf so that such may be deposited and disbursed promptly according to this agreement. I further designate The Bader Law Firm as my address of record to which benefit payments are to be sent.

I understand that this contract is subject to the approval of the State Board of Workers' Compensation, and no fee of more than \$100.00 shall be paid under the contract unless approved by the Board.

I further understand that if the employer and its insurer are ordered by the Board to pay for services of my attorney, I will not be required to pay for the same services.

I understand that I may dismiss Seth Bader at any time, for any reason, upon written notice to him, and I understand that I shall owe Seth Bader for unpaid expenses and services rendered until the date of receipt of such notice, the amount to be based upon time devoted to my case at an hourly rate of \$250.00 or the applicable percentage of fees that he is due under the terms of this agreement of any offer which has been made by any adversary or collateral party to Seth Bader, whichever is greater.

Accepted this _____ day of _____ 2008.
